TRAINER TO CONDUCT TRAINING MODULES TO IMPROVE THE KNOWLEDGE AND SKILLS OF STUDENTS IN PRIMARY AND SECONDARY SCHOOLS ON THE PREVENTION OF VIOLENCE

Document published on August 23rd 2024

Duration of Assignment:

Approximately for the period of 2 months (preferred start on September 15th 2024), maximum 10 working days within this period.

1. BACKGROUND

Domovik was established in 2010 in North Mitrovica. Over the years, Domovik has been working on the implementation of various projects. Domovik is specialized in providing activities concerning the psychosocial and legal protection of children, youth, and members of vulnerable groups, and it seeks to help people in understanding the factors that affect their life quality.

Supported by the UNICEF Kosovo Programme under United Nations Peacebuilding Fund, Domovik is organizing training modules to improve the knowledge and skills of students in primary and secondary schools on the prevention of violence. This activity aims to introduce students from primary and secondary schools in the six municipalities to the basic elements of conflict mitigation and prevention. Training modules will equip students with knowledge and techniques: how to understand the origin and the roots of conflict; how to recognize the early signals of conflict and how to prevent it as well as assertive communication techniques. To respond to an increasing trend of violence and cyberbullying, the training will also focus on providing information regarding methods of recognizing cyber violence and abuse. The process of working with children will use the peer mediation methodology and strategy for peacebuilding that Domovik successfully implemented over the past 12 years. The training modules will be conducted in primary and secondary schools, as of the beginning of the 2024-2025 school year.

2. OBJECTIVE AND SCOPE

The process of conducting peer mediation training modules should cover the following objectives:

1. To prepare work plan, agenda and material to be used during the implementation of the peer mediation training;
2. To conduct 8 days training sessions on peer mediation;
3. To apply the peer mediation methodology which was used and adapted by Domovik and partner education institutions;
4. To revise pre and post training evaluation questionnaires in cooperation with Domovik;
5. To submit the final reports on the training implementation based on Domovik's inputs.

It should be emphasized that all relevant documents, available at Domovik, will be provided upon request of trainer.
